

## **CONTENTS (Volume 1 - 7)**

### **Volume 1, 1995**

**The context of information strategies: competition or collaboration?**

David K. Allen and T.D. Wilson

**Operational planning and performance measurement in the John Rylands University Library of Manchester**

John Tuck

**Book selection and bookfund management at Imperial College Libraries**

Janice Yeadon and Ruth Cooper

**The evolution and improvement of book availability in an academic library**

N.A. Jacobs

**Management information systems in some academic libraries in Britain**

Dudung Gumilar and Ian M. Johnson

**Designing Infopoint: a multi-purpose multimedia library guide**

P. Gorman and R. Lees

**Teaching user education, learning information skills; or, Towards the self-explanatory library**

Philip Pacey

**Workbooks for information skills teaching at the University of Northumbria at Newcastle**

Ian R. Winship

**Do we connect?: a staff development programme**

Maggie Hutchings and Penny Dale

**The perceptions of library service questionnaire (PLSQ): the development of a reliable instrument to measure student perceptions of and satisfaction with quality of service in an academic library**

Christine Doyle

**Student satisfaction**

Lee Harvey

**User satisfaction surveys: experience at Leicester**

Anne Bell

**Studying user satisfaction: Why do it? How to do it? Where next? One library's experience**

Emma Robinson

**User satisfaction with the library service among part-time students**

Carol Wilson and Noreen Orr

### **Volume 2, 1996**

**The Follett Report and UK higher education**

R.G. Heseltine

**Financing higher education libraries in Germany**

Hans Joachim Wätjen

**Funding arrangements for UK universities and their libraries**

Tom Graham

**Budgeting - pros and cons**

Günter Gattermann

**Service level agreements**

Geoffrey Ford

**University library budgets - model and reality**

Rolf Griebel

**External funding sources: income generation in UK academic libraries**

Jan Wilkinson

**Possibilities of income generation in German academic libraries**

Roswitha Poll

**Resourcing academic libraries - is IT the answer? Electronic document delivery services**

Graham P. Cornish

**Electronic information for students - the ELINOR project**

Anne Ramsden

**The CD-ROM project of the German Research Association**

Berndt Dugall

**Projects in German academic libraries**

Jürgen Bunzel

**Higher education, teaching, learning and the electronic library: a review of the literature for the IMPEL2 project: monitoring organisational and cultural change**

Joan M. Day, Graham Walton, Moira Bent, Sally Curry, Catherine Edwards and Maureen Jackson

**The role of the library in distance learning: a review of UK, North American and Australian literature**

Kate Stephens

**University library statistics from the Library and Information Statistics Unit (LISU)**

**Volume 3, 1997**

**The impact of electronic information on the academic research community**

Anne Bell

**An examination of the costs and benefits of an experimental extension of academic library services to remote users**

Peter M. Wynne, Peter Brophy and Geoff Butters

**Towards the digital library: how relevant is eLib to practitioners?**

Andrew Green

**Some theoretical bases of convergence**

Lyndon Pugh

**Operational convergence at Roehampton Institute London and Liverpool John Moores University**

Phil Sykes and Sarah Gerrard

**Mentoring in library and information services: a literature review and report on recent research**

Clare Nankivell and Michael Shoolbred

**Serials overlap in the higher education institution libraries in Glasgow**

Richard N. German, Tony Kidd and Gordon Pratt

**From PSLI to NESLI: site licensing for electronic journals in UK academic institutions**

Martin White

**Self-assessment of an academic library**

Don Revill

**Consultation access in academic libraries: results of a sample survey conducted from Edinburgh University Library, December 1997**

Sheila M. Stewart

**Developing national scholarly information infrastructure: some Australian experiences**

Vicki Williamson

**Volume 4, 1998**

**THE HYBRID LIBRARIES PROGRAMME:  
PAPERS FROM A WORKSHOP AT THE  
UNIVERSITY OF LEEDS**

**Introduction**

Jan Wilkinson

**The eLib HyLiFe Project: implications for the user community**

Peter M. Wynne and Catherine Edwards

**Project HeadLine: access control and authentication - issues for access to networked information resources**

Jonathan Eaton

**Aspects of seamless access provision in the context of 'hybrid libraries': the MALIBU (Managing the hybrid Library for the Benefit of the User) project**

Astrid Wissenburg

**Agora: building the technological infrastructure**

Rosemary Russell and Greg Newton-Ingham

**BUILDER: an institutional hybrid library strategy**

Stephen Pinfield

---

**Why digitise? Principles in planning and managing a successful digitisation project**

Susan Jephcott

**ELib's IMPEL2 Project: organisational structures and responses to change in academic libraries**

Catherine Edwards, Professor Joan M. Day and Graham Walton

**Changing UK library and information services; a case study at the University of Northumbria at Newcastle informed by the eLib IMPEL2 Project**

M. Jackson, J. Thoburn, G. Walton and J.M. Day

**Mapping the academic cultural response to networks: the TAPin experience**

Bruce Reid, William Foster, Linda Newall, Helen Williams and Kay Flatten

**Library technology trends in the United States**

Robert S. McGee and Patrick McClintock

**Technical services: serving the customer**

Keith Webster

**Fundraising for university library development: the case of the London School of Economics**

Jan Wilkinson

---

**SCHOLARS' INFORMATION NEEDS IN A DIGITAL AGE**

**Executive summary**

Daniel Greenstein and Sarah Porter

**Great Expectations: information technologies, digital resources, and the future of scholarly practice**

Daniel Greenstein

***Reports from the front: six perspectives on scholars' information requirements in the digital age:***

**The voice of experience: scholarly information requirements as perceived by information professionals, data providers, and support and training officers**

Sarah Porter

**The view from Archaeology**

Frances Condon and Alicia Wise

**The view from History**

Cressida Chappell and Astrid Wissenberg

**The view from Literary and Linguistics Studies**

Alan Morrison

**The view from the performing arts**

Celia Duffy and Catherine Owen

**The view from the visual arts**

Catherine Grout and Janine Rymer

**Into the future: scholarly needs, current provision, and future directions**  
Sarah Porter

**Volume 5, 1999**

**A distributed national electronic resource for UK higher and further education institutions**  
Alicia Wise

**Split personalities: the job satisfaction of learning centre support staff at a multi-site university**  
Rachel Geeson and Anne Goulding

**The Research Support Libraries Programme Access Survey**  
Ronald Milne and Gill Davenport

**BUILDER - The DIY Guide**  
Ian Upton

**'Alive' on the Internet: a user-centred evaluation of BIS-Online**  
Mark Gillham and Hazel Hall

**A review of the literature for the JUBILEE Project: JISC User Behaviour in Information Seeking: Longitudinal Evaluation of Electronic Information Services**  
Linda Banwell and Pat Gannon-Leary

---

**The Consortium of University Research Libraries**

**Guest Editor:** Peter Fox

**CURL - past, present and future**  
Peter Fox

**CURL and resource description and discovery**  
Clive D. Field

**Access to resources**  
Frances M. Thomson

**CURL - Resource Management**  
Bernard Naylor

**Volume 6, 2000**

**The relationship between national and institutional electronic library developments in the UK: an overview (1)**  
Stephen Pinfield

**Approaches to providing information literacy training in higher education: challenges for librarians**  
Mark Hepworth

**The application of the Bliss Bibliographic Classification in Cambridge College libraries**  
K.E. Attar

**The impact of the hybrid library on strategic management**

Clare Nankivell, Andrew Hampson, Pete Dalton and Stella Thebridge

**Towards collection management guidance**

Ellis Weinberger

**Study of the records life cycle**

Elizabeth Parker

---

***Preservation 2000 Conference***

**Keynote address**

Lynne J. Brindley

**Digital preservation and the Cedars project experience**

Kelly Russell

**LOCKSS (Lots of Copies Keep Stuff Safe)**

Vicky Reich and Davis S.H. Rosenthal

**From talking to doing: digital preservation at  
The British Library**

Helen Shenton

**Towards a preserved national collection of selected Australian digital publications**

Colin Webb

**A workbook for the preservation management of digital materials**

Margaret Jones

**Comparing preservation strategies and practices for electronic records**

Michèle V. Cloonan and Shelby Sanett

**Intellectual property rights lessons from the Cedars project for digital preservation**

Catherine Seville and Ellis Weinberger

**Authenticity, preservation and access in digital collections**

Nancy Brodie

**I'm me and you're you, but is that that?**

Kevin Ashley

**The Federal Depository Library Program Electronic Collection: preserving a tradition of  
access to United States Government information**

George D. Barnum and Steven P. Kerchoff

**The JISC Digital Preservation Focus and the Digital Preservation Coalition**

Neil Beagrie

**Volume 7, 2001**

**Assessing the performance of electronic library  
services: the EQUINOX project**

Peter Brophy

**The changing role of the Subject Librarian, with a**

**particular focus on UK developments, examined through a review of the literature**  
Richard Gaston

**Experience of running collaborative projects**  
Colin Harris

**Knowledge management, performance metrics, and  
higher education: does it all compute?**  
Elisabeth Davenport and Blaise Cronin

**Supporting researchers' information needs: the experience of the Manchester  
Metropolitan  
University**  
Mary Kelman Harrison and Fiona Hughes

**Peer observation of teaching: a method for improving  
teaching quality**  
Linda Norbury

**Barriers to resource sharing among higher  
education libraries: a report to the Research Support Libraries Programme (RSLP)**  
Allan Schofield, John Fielden, Colin Harris  
and Jan Wilkinson
