

GRAPHIC ABSTRACT

The graphic abstract should include all the title of the contribution, authors' names, and their affiliation. A reaction equation of some other graphic representation should provide the reader with a strong idea of the content of the article. Some words are allowed as part of the graphic portion of the abstract.

All text should be in 12 point Times Roman font. The Title should be bold. The authors and their affiliation should be italicized. The abstract should have a maximum width of 12.25 cm (4¾ inches) and a maximum height of 4.5 cm (1¾ inches).

See example below (The box will be inserted by the publisher):
