Anonymous work

Use Anon in the text

(Anon 1988)

2. How to organize the reference list.

List references to all documents cited in the text, under the heading References. They are listed in alphabetical order of authors' names. If you have cited more than one item by a specific author, they should be listed chronologically (earliest first), and by letter (1993a, 1993b) if more than one item has been published during a specific year.
