We have expanded our Sport and Leisure journals publishing programme considerably over recent years and are the market leader in terms of quality and breadth of coverage. In 2011 Routledge journals dominated the ‘Hospitality, Leisure, Sport and Tourism’ category of the Social Sciences Citation Index. As we continue to develop our range of publishing across the field, we hope that you will continue to regard our journals as authoritative and stimulating sources for your research. We would be delighted to receive your comments and suggestions. Proposals for new journals are always welcome.
