**International Journal of Human Rights**

Covering an exceptionally broad spectrum of human rights issues: human rights and the law; race; religion; gender; children; class; refugees and immigration. In addition to these general areas, the journal publishes articles and reports on the human rights aspects of: genocide, torture, capital punishment and the laws of war and war crimes.

**The Journal of the Middle East and Africa**

Includes both the entire continent of Africa and the Middle East within its purview, exploring the historic social, economic, and political links between these two regions, as well as the modern challenges they face. Seeks to promote new research to understand better the past and chart more clearly the future of scholarship on the regions.

**The International Spectator Italian Journal of International Affairs**

Aims to provide academics, practitioners, opinion and decision-makers, and interested laymen with thought-provoking and policy-oriented research and development, and aimed at scholars and researchers of legislative studies. Articles encompass legislative theory and country-specific empirical research. Scholarly contributions are complemented by articles by leading public figures.

**The Mariner’s Mirror Journal of the Society for Nautical Research**

Internationally recognised as the pre-eminent English-language journal on naval and maritime history, nautical archaeology and all aspects of seafaring and lore of the sea. The journal covers a wide range of history, from Bronze Age ships to nuclear submarines, and nautical matters such as hydrography, navigation and naval logistics.

**The Journal of Legislative Studies**

A major international refereed journal, covering all aspects of legislative research and development, and aimed at scholars and researchers of legislative studies. Articles encompass legislative theory and country-specific empirical research. Scholarly contributions are complemented by articles by leading public figures.

**The Pacific Review**

A major platform for the study of the domestic policy making and international interaction of the countries of the Pacific Basin. Its primary focus is on politics and international relations in the broadest sense, allowing for contributions on domestic and foreign politics, economic change and interactions, business and industrial policies, military strategy and cultural issues.

**The Round Table The Commonwealth Journal of International Affairs**

Offering analysis and commentary on all aspects of international affairs, this journal is the major source for coverage of policy issues concerning the contemporary Commonwealth and its role within international affairs, with occasional articles on themes of historical interest.

**West European Politics**

This journal focuses on political developments in individual countries, cross country comparative analyses, and the study of European integration, notably the relations between the European Union (EU) and its member states. Also covers the new democracies of Central Europe and the Baltic states and has a long-standing interest in Western, Southern and Eastern Europe.
The International Institute for Strategic Studies since 1959. An essential resource for those economics of 170 countries worldwide, produced by The International Institute for Strategic Studies, UK. The annual assessment of the military capabilities and defence contribution to policy-relevant, original academic research. It is designed to provide rigorous analysis of strategic and defence topics that will core-readership of policymakers, journalists, business executives and foreign analysts. The International Institute for Strategic Studies. It is an invaluable tool for interpreting worldwide stability. As the world’s leading authority on political-security complexes, The International Institute for Strategic Studies (IISS) is the primary source of accurate, objective information on international strategic issues for policymakers and diplomats, foreign affairs analysts, international business, economists, the military, defence commentators, journalists, academics and the informed public.

The Armed Conflict Database
Contact: Hanna Ucko Nei, The International Institute for Strategic Studies, UK
An authoritative and unique source of data and independent analysis on current and recent conflicts. Compiled and regularly updated by The International Institute for Strategic Studies. www.iiss.org/acd

Strategic Comments
Editor: Alexander Nicoll, The International Institute for Strategic Studies, UK
The online source of analysis of international security and politico-military issues for The International Institute for Strategic Studies (IISS). Harnesses the expertise of The institute’s research staff and members and the broader strategic studies community to offer authoritative insights to its core-readership of policymakers, journalists, business executives and foreign analysts.

The Adelphi series
Editor: Nicholas Redman, The International Institute for Strategic Studies, UK
This series is The International Institute for Strategic Studies’ principal contribution to policy-relevant, original academic research. It is designed to provide rigorous analysis of strategic and defence topics that will prove useful to academics, researchers, politicians and diplomats, as well as foreign affairs analysts, defence commentators and journalists.

The Military Balance
Editor: James Hackett, The International Institute for Strategic Studies, UK
The annual assessment of the military capabilities and defence economics of 170 countries worldwide, produced by The International Institute for Strategic Studies since 1958. An essential resource for those involved in security policy-making, analysis and research.

Strategic Survey
Editor: Alexander Nicoll, The International Institute for Strategic Studies, London, UK
The annual review of world affairs from The International Institute for Strategic Studies. It is an invaluable tool for interpreting worldwide strategic developments. Includes a series of detailed maps highlighting topics and trends.

Survival: Global Politics and Strategy
Editor: Dana Allin, The International Institute for Strategic Studies, UK
A leading forum for analysis and debate of international and strategic affairs. With a diverse range of authors, thoughtful reviews and review essays, it is scholarly in depth while vital, well-written and policy relevant in approach.

African Security
Editor: James J. Henty, Virginia Military Institute, USA
An exploration of fresh approaches to understanding Africa’s conflicts and security concerns, this journal investigates competing analytical approaches (both traditional and innovative) while engaging in discussions of real world security issues in Africa. In particular, it seeks to investigate the myriad issues relating to conflict and security within and between African nations.

African Security Review
Editor: Romi Sigworth, Institute for Security Studies / Institut d'études de Sécurité, South Africa
An essential forum for African perspectives and practitioner insights, it aims to inform and influence security policy and practice. Thought-provoking, relevant articles on the spectrum of human security issues – including: security sector transformation; civil-military relations; crime, justice and corruption; conflict management – and papers considering the interplay between economics, politics, and culture with security and stability.

Asian Security
Editor: Devin T. Hagerty, Long Island University, USA
This journal aims to publish results of recent research on the origins and development of the Cold War and its impact on nations, alliances and regions at various levels of statecraft, as well as in areas such as the military and intelligence, the economy, and social and intellectual developments.
