Call for Papers - Geographers

National Identities includes articles from scholars in social science and humanities fields. We think that geographers can contribute to the journal with articles that address the geographical implications of the following:

- Case studies of national identity
- Themes related to national identity
- Nationalism and national identity as it relates to other ideologies and identities
- Ethnic identity as it relates to incorporation within a national framework
- Different aspects and types of nationalism
- How nationalism reveals itself through cultural expressions, political movements and geographical forms
- Comparisons between national identities.

Submissions

Manuscripts for submission in the area of Geography, should be addressed to:

Dave Kaplan (Geography), *Department of Geography, Kent State University, Kent, OH 44242-0001, USA*
Email: dkaplan@kent.edu

Articles submitted to the journal should be original contributions and should not be under consideration for any other publication at the same time.
