

The 5th New York City Bridge Conference is seeking papers from bridge owners, designers, researchers and contractors. The conference proceedings will be published in a hard cover volume. Select papers will be published in a special issue of the *Journal of Bridge Structures*. Multiple submissions will not be accepted for review. Other papers will be published in the conference CD-ROM proceedings. Guidelines with complete instructions for manuscript preparation will be sent to corresponding authors by February 12, 2009. To get published in the conference proceedings, you must adhere to the Important Dates shown below.

In recognition of international bridge design and bridge engineering research achievements, the Bridge Engineering Association grants Bridge Design and Bridge Engineering Research Awards to individuals that have made significant contributions to the field of bridge engineering. The awards are presented every other year at the New York City Bridge Conference. Nominations will be accepted for live individuals only. To nominate an individual for his/her professional accomplishments in Bridge Design or Bridge Engineering Research, please submit your letter of nomination and the nominee's resume to the Bridge Engineering Association via email to [kmahmoud@bridgeengineer.org](mailto:kmahmoud@bridgeengineer.org), by January 20, 2009.
