CALL FOR PAPERS

Communicatio: South African Journal for Communication Theory and Research is the oldest journal in the field of communication studies in South Africa. The journal is accredited by the South African Department of Education as a research journal and affiliated with the South African Communication Association (SACOMM).

Communicatio focuses on and seeks to publish original research articles of the highest standard and of special interest on South African and African communication contexts in the fields of:

- communication theory and philosophy
- media and cultural studies
- organisational and management communication
- visual communication
- intercultural communication
- advertising and marketing
- developmental communication
- political communication
- new media (policy and social implications)
- international communication.

SUBMISSION INFORMATION

The Editors of *Communicatio* are now inviting submissions.

Communicatio adheres to a strict policy of publishing only peer-reviewed articles, all reviewed by at least two anonymous reviewers.
