

Searching for Research Articles in Economics by JEL Code:

It is now possible to search a large proportion of new content within our range of economics journals by the JEL codes attributed to individual papers.

Using the 'Advanced Search' option here <http://www.tandfonline.com/search/advanced>
You can restrict your search by **Publication Name** or **Author**.

To search for all papers on a certain JEL topic simply input the code into the '**Keywords**' search box:

The screenshot shows the advanced search interface with several sections:

- Include:** Radio buttons for 'All Content' (selected) and 'Only content I have full access to'.
- Filter by Publication Type:** Checkboxes for 'Journals' and 'Reference works'.
- Subject Area:** A section titled 'You are searching:' with 'All Publications' selected and a 'Modify search area criteria' button.
- Search Criteria:** A central column with input fields for 'Full Text', 'Article / Chapter Title', 'Publication Name', 'Author', 'ISSN / ISBN / DOI', 'Abstract', and 'Keywords'. Each field has an 'AND' dropdown menu to its right. The 'Keywords' field is highlighted with a red dashed box. A 'Use stemming?' checkbox is checked at the bottom of this section.
- Publication Date:** Radio buttons for 'All Dates' (selected), 'Last Week', 'Last 3 Months', 'Last 6 Months', and 'Last Year'. Below are 'From:' and 'To:' date pickers with 'Day', 'Month', and 'Year' dropdowns.
- Filter by Imprint:** Checkboxes for 'Routledge', 'Psychology Press', and 'Taylor & Francis'.
- A blue 'Search' button is located at the bottom right.

For Example:

To search for all recent economics papers on '**D12 - Consumer Economics: Empirical Analysis**' enter 'D12' into the keywords field:

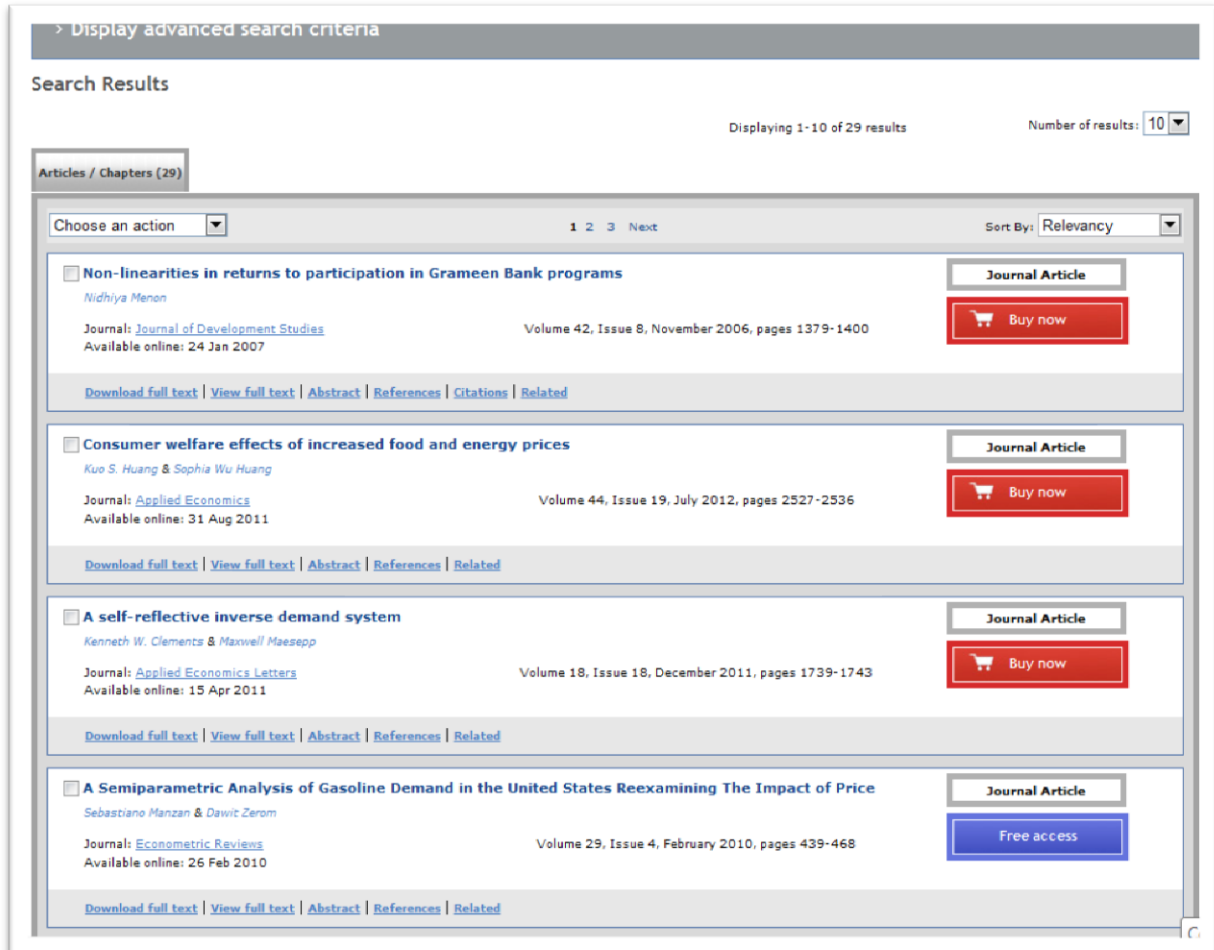

This close-up shows the 'Abstract' and 'Keywords' fields:

- Abstract:** An input field containing the text 'Enter Text'.
- Keywords:** An input field containing the text 'D12'.
- Below the 'Keywords' field is a 'Use stemming?' checkbox, which is checked.

Searching for Research Articles in Economics by JEL Code:

Hit the  button and all recent articles containing this particular JEL code within the abstract page will be returned:

The screenshot shows a search results page with the following elements:

- Header: "> Display advanced search criteria"
- Section: "Search Results"
- Metadata: "Displaying 1-10 of 29 results" and "Number of results: 10" (dropdown menu)
- Filter: "Articles / Chapters (29)"
- Action menu: "Choose an action" (dropdown), "1 2 3 Next" (pagination), "Sort By: Relevancy" (dropdown)
- Four article entries, each with a checkbox, title, author, journal, volume/issue, and date. Each entry has a "Journal Article" label and a "Buy now" button (or "Free access" for the last entry).
- Each entry includes links for "Download full text", "View full text", "Abstract", "References", "Citations", and "Related".

This then allows you to browse the articles that may be of specific interest.
