## VAT and other Taxes

---

VAT/GST is calculated on the service provided on the online portion of a subscription. Therefore a "hardcopy and online" subscription will incur a charge at 50% of the list price and "online only" will incur a charge at 100% of the list price, except for the below countries rulings:

**Australian** - VAT is charged on 100% of the list price for all Australian journals printed and distributed to an Australian address including consolidation addresses.

**Canadian GST** – provided we have a Canadian GST (BN Number) we will not charge on the hardcopy portion, however because the online is a service coming into Canada we are required to charge GST on the online portion. Where no GST (BN number) is provided GST is charged at 100% on all subscriptions. Rate of GST is according to location in Canada.

**EU** - All titles printed in the United Kingdom are taxable at the UK VAT rate unless you supply us with an EU VAT number.

**Swiss** - All titles printed in the United Kingdom are taxable at 8% unless you supply us with a Swiss VAT number.

**United Kingdom** - 100% VAT on all editions and journals except journals printed in United States of America.
