

How to choose a journal

- See our [subject pages](#) to find out which journal might provide the ideal home for your paper. Click on the Aims & Scope tab to read about the type of papers that the journal accepts.

The screenshot shows a Microsoft Internet Explorer browser window displaying the Informaworld website. The address bar shows the URL: <http://www.informaworld.com/snpp/tble--db=all--content=713400911--tab=summary>. The website header includes the Routledge Taylor & Francis Group logo and navigation tabs for eBooks, Journals, Reference Works, and Abstract Databases. A search bar is present with the text 'Search in entire site' and 'GO' buttons. Below the search bar, there are links for 'Browse Publications A-Z', 'Browse Subjects A-Z', and 'Advanced Search'. The main content area features a navigation bar with 'HOME | SEARCH | BROWSE' and sub-tabs for 'Issues List', 'Latest Issue', 'Aims & Scope', 'Editorial Board', and 'Subscribe'. The 'Aims & Scope' tab is highlighted with a red circle. The main content displays the journal title 'Critical Reviews in Plant Sciences' with its ISSN (1549-7836), publication frequency (6 issues per year), subject (Botany), publisher (Taylor & Francis), and access status (ACCESS). It also lists the 2005 Impact Factor (3.467) and Ranking (12/144 in Plant Sciences). The journal's focus is described as presenting in-depth and up-to-date reviews of timely subjects in the broad discipline of plant science, ranging from molecular biology-biochemistry to practical agricultural applications. The journal is edited by an Editorial Advisory Board with diverse interests. A note states that the journal publishes papers by invitation only and does not accept unsolicited manuscript submissions. The publication office is listed as Taylor & Francis, Inc., 325 Chestnut Street, Suite 800, Philadelphia, PA 19106. The footer contains links for Privacy Policy, Terms & Conditions, Accessibility, and RSS, along with language options for FAQs in English, Français, Español, and 中文 (简体和繁體).

- Our journals consider all manuscripts on the strict condition that they have been submitted only to that journal and that they have not been published already. They must not be under consideration for publication or in press elsewhere.
- It is essential that you prepare your manuscript according to the journal's format and style specifications. Please read through the Instructions for Authors carefully before preparing a manuscript for submission.

The screenshot shows the Informaworld website interface. At the top, there's a search bar and navigation links like 'HOME', 'SEARCH', and 'BROWSE'. The main content area is titled 'Assessment & Evaluation in Higher Education' and includes details such as ISSN: 1489-297X, Publication Frequency: 6 issues per year, and Publisher: Routledge. A red circle highlights the 'Instructions for Authors' link in the top navigation bar. Below this, there are sections for 'Instructions for Authors', 'Manuscripts', 'Figures', and 'Electronic Processing' with detailed submission guidelines.

- Further information about the journal, including links to the online sample copy and contents pages, can be found on the journal homepage.
- If you need help preparing your manuscript for submission, please see our Resources for Authors page (add link).
- For more information you can email our Author Services department at authorqueries@tandf.co.uk or write to Journals Editorial, Taylor & Francis Ltd, 4 Park Square, Milton Park, Oxfordshire OX14 4RN, UK.
