

# THE JOURNAL OF AGRICULTURAL EDUCATION & EXTENSION

Best  
Paper  
Award

*The Journal of Agricultural Education & Extension* is pleased to announce that it will be awarding an annual prize for the best paper published in the journal. The winning article will be made available to all on the Routledge website, and extensively promoted.

## How to Enter

To contribute a paper to *The Journal of Agricultural Education & Extension*, and thus be eligible for the award, please refer to the 'Instructions for Authors' link on the journal homepage:  
[www.tandf.co.uk/journals/raee](http://www.tandf.co.uk/journals/raee).

*The Journal of Agricultural Education & Extension* is published to inform experts who do or use research on agricultural education and extension about research conducted in this field worldwide. Information about this research is needed to improve policies, strategies, methods and practices for agricultural education and extension. *The Journal* accepts authoritative and well-referenced scientific articles within the field of agricultural education and extension after a double-blind peer review process.

*The Journal of Agricultural Education & Extension* sees as the purposes of agricultural education and extension to prepare students for leadership, management, and technical support roles, to further develop the public, independent workers, volunteers and professionals, and to improve practices in the fields mentioned. This should be achieved whilst balancing people, profit and planet interests.
