

## ***Journal of Biological Dynamics***

### **Lord Robert May Prize**

Taylor & Francis and the Editors are pleased to announce the launch of the **Lord Robert May Prize** for the best paper published in *Journal of Biological Dynamics*.

The inaugural prize will be awarded to the author(s) of the best paper published in the Volumes 1 and 2 (2007 and 2008) in May 2010. Thereafter the prize will be announced bi-annually at the [International Conference on Mathematical Modeling and Analysis of Populations in Biological Systems](#). The next conference will take place in October 2011.

The winning author(s) will receive GB £200, free Taylor & Francis books to the value of GB £100 and a complimentary personal subscription to *Journal of Biological Dynamics*.

To submit a paper to *Journal of Biological Dynamics*, go to <http://mc.manuscriptcentral.com/tjbd>, full instructions for authors are available at [www.tandf.co.uk/journals/JBD](http://www.tandf.co.uk/journals/JBD).
