Communication Arena

The **Routledge Communication Arena** is an online resource for communication academics, students and practitioners, who need to keep up-to-date with the latest communication issues, news and events. One can also explore our collection of communication journals and books. Free online sample copies of our journals can be requested from this site and free access is also given to specially-selected journal articles for limited period. Visit the Communication Arena at www.communicationarena.com

Journal of FAMILY COMMUNICATION

Journal of Family Communication publishes research on all aspects of communication in families, to include communication in family systems, communication in family relationships, and families managing communication with social systems such as mass media, education, health care, and law & policy. In addition to empirical reports, theoretical essays, and review essays, the journal invites articles pertaining to applied family communication, pedagogy, and educational materials (books, videos, Web sites). The Journal welcomes diverse theoretical and methodological perspectives.
