Membership of GAPS entitles you to copies of the Journal of Social Work Practice, printed 4 times a year, (from Feb 2009) and valued at £150. The cost of membership is £28 a year if you pay by standing order, or £38 by cheque. The subscription year is from Jan to December and payment within a year will entitle you to all the Journals of that year, so you will receive back numbers. It helps us if standing orders can begin in January
