

Library Recommendation Form

Dear Librarian

I would like to recommend the following peer-reviewed journal for library subscription. Please include it in your next serials review meeting.

Journal Title: ***Engineering Studies***
URL: www.tandf.co.uk/journals/engineeringstudies
ISSN: Print 1937-8629; Online 1940-8374
Frequency: Volume 1 (2009), 3 issues per volume

Engineering Studies is a new interdisciplinary, international journal devoted to the scholarly study of engineers and engineering. Its mission is: to advance research in historical, social, cultural, political, philosophical, rhetorical and organizational studies of engineers and engineering; to help build and serve diverse communities of researchers in engineering studies; to link scholarly work in engineering studies to broader discussions and debates about engineering education, research, practice, policy and representations. The Editors are Gary Downey (Virginia Tech, USA) and Juan Lucena (Colorado School of Mines, USA).

2009 Institutional Subscription Rates:
US \$380/GB £195/€ 304 (print + online);
US \$360/GB £185/€ 288 + VAT where applicable (online only)

Institutional subscriptions include online access to articles posted online ahead of publication.

I think that this publication would be a useful addition to our library for the following reasons:
