# International Studies in Catholic Education

by filling in the order form on  
the reverse of this flyer.

**International Studies in Catholic Education** aims to provide an international forum for articles of a theological, philosophical, historical and social scientific nature, as well as empirical research perspectives on Catholic education.

The scope of the journal includes articles focused at both a general theoretical level, as well as a specific focus level, relating to the various forms of Catholic education, eg. Elementary/primary, secondary, higher education, adult education, community and parish-based education and seminary education.
