International Studies in Catholic Education

by filling in the order form on the reverse of this flyer.

International Studies in Catholic Education

aims to provide an international forum for articles of a theological, philosophical, historical and social scientific nature, as well as empirical research perspectives on Catholic education.

The scope of the journal includes articles focused at both a general theoretical level, as well as a specific focus level, relating to the various forms of Catholic education, eg. Elementary/primary, secondary, higher education, adult education, community and parish-based education and seminary education.
