

Information, Communication & Society Webcasts

In collaboration with the Oxford Internet Institute, the editors of **Information, Communication & Society** have been producing and archiving webcasts featuring the author(s) of the lead article of selected issues.

The Oxford Internet Institute is a leading world centre for the multidisciplinary study of the Internet and society, focusing on Internet-related research and education that will shape policy and practice.

The latest iCS webcast recording will be held on 30th October 2006 from 4.30pm at the Oxford Internet Institute: <http://www.oii.ox.ac.uk>. The associated article for this webcast is:

William H. Dutton and Adrian Shepherd 'Trust in the Internet as an Experience Technology' **Information, Communication & Society**, Volume 9 Number 4 August 2006
