### About the Journal

The *Journal of Gender Studies* is an interdisciplinary journal which publishes articles relating to gender from a feminist perspective covering a wide range of subject areas including the Social and Natural Sciences, Arts and Popular Culture. Reviews of books and details of forthcoming conferences are also included.

The *Journal of Gender Studies* seeks articles from international sources and aims to take account of a diversity of cultural backgrounds and differences in sexual orientation. It encourages contributions which focus on the experiences of both women and men and welcomes articles, written from a feminist perspective, relating to femininity and masculinity and to the social constructions of relationships between men and women.
