

Business, Management & Economics

DISCOVER PAST BRILLIANCE: UNCOVER THE ARCHIVE

Taylor & Francis has digitised its **Business, Management & Economics** journal archives. Content is available from 1996 back to the very first volume.

As a major multidisciplinary publisher, publishing under the imprints of Routledge and Taylor & Francis, we are recognised for the high quality scholarship and depth of our research.

Explore 38 long-standing and influential journals in:

- **Accounting and Finance:** An extremely successful and varied list
- **Business and Management:** Covers human resources, marketing, public management and business history
- **Economics:** Reflects the huge diversity of approaches and schools of thought within economics

Benefits of the Online Archive

- **Reduce** pressure on storage space
- **Provide** quick and convenient access to users across your network
- **Cross search,** access abstracts and references
- **Place** current research in its historical context
- **Supplement** your existing current Taylor & Francis business, management and economics content
- **Save money** with flexible pricing options available to suit every budget
- **Access** a large number of prestigious journals published in collaboration with respected institutions and societies

Protecting the Archive

Taylor & Francis is working closely with LOCKSS and Portico to host the archive in perpetuity. An agreement with the Dutch National Library has also been signed to protect the future of our archives.

Archive Content Coverage

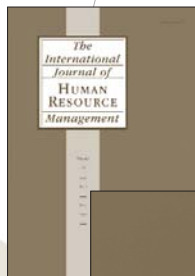

Taylor & Francis Group undertakes to make every reasonable effort to digitise its Online Journal Archive. There may be rare instances, however, where the archive is incomplete due to inability to locate individual journal issues.

Business, Management & Economics Collection: Match your library's specialism to ours

- The collection allows access to current content published between 1997 and the present day
- Combine the collection with the online archive for the complete collection of journals in this field
- Key titles include: *Entrepreneurship & Regional Development*, *European Journal of the History of Economic Thought*, *The International Journal of Human Resource Management* and *Total Quality Management & Business Excellence*

informaworld™

The Business, Management & Economics Online Archive and Collection are hosted on informaworld™

Explore a world of specialist information for the academic, professional and business communities at:
www.informaworld.com

For the first time, the electronic resources of Taylor & Francis, the academic division of Informa, are brought together in one searchable interface. **informaworld™** gives you new and improved accessibility to over:

- 13,000 e-books
- 1,100 journals from Taylor & Francis, Routledge, Psychology Press and Informa Healthcare
- 5,000 encyclopaedia articles

As well as making searching resources easier and enabling more efficient management of online resources, **informaworld™** offers many new web-based features:

- **Download** COUNTER-2 compliant usage statistics
- **Generate** RSS feeds and alerts, such as citation alerts, publication alerts, and new issue alerts
- **Save** your searches
- **Brand** the website by inserting your library's logo
- **Manage** your favourites in marked lists
- **Active** reference linking
- **Set up user access** via IP address, Proxy Server and Athens (Shibboleth to follow), and add link resolvers

Start exploring our world at www.informaworld.com today
