# DISCOVER PAST BRILLIANCE: UNCOVER THE ARCHIVE

## Taylor & Francis has digitised its Geography, Planning, Urban and Environment Journal Archives!

Digitised journal archives in the subject areas of geography, planning, urban and environment from Taylor & Francis are available to buy as an online package featuring content from 1996 back to Volume 1, Issue 1.

As a major multidisciplinary publisher, publishing under the imprints of Routledge and Taylor & Francis, we are recognised for the breadth, quality and extensive range of our research in the fields of geography, planning, urban and environment.

### Benefits of the Online Archive

- **Explore** 28 titles and over 255,000 pages
- **Reduce** pressure on storage space
- **Provide** quick and convenient access to users across your network
- **Access** peer reviewed research as far back as 1884
- **Cross search**, access abstracts and references
- **Place** current research in its historical context
- **Supplement** your existing current Taylor & Francis Geography, Planning, Urban and Environment content
- **Gain** from the high quality scholarship and depth of research of our long-standing journals
- **Save money** with flexible pricing options available to suit every budget

### Highlights

- **Scottish Geographical Journal**, the official journal of the Royal Scottish Geographical Society, has published articles by some of the most distinguished geographers of the last 120 years, including Henry Morton Stanley, Halford Mackinder, Archibald Geikie, Doreen Massey and Tim O'Riordan
- **Regional Studies** is a leading international journal in theoretical development, empirical analysis and policy debate in the multi- and interdisciplinary field of regional studies. It is the official journal of the Regional Studies Association, and was first published in 1967
- **Journal of Environmental Planning and Management** was launched in 1966, and has since established itself as a leading forum on all aspects of environmental planning and management
- **Landscape Research**, the journal of the Landscape Research Group, has become one of the foremost journals in its field. It is distinctive in combining original research papers with reflective critiques of landscape practice
- **European Planning Studies** is published in cooperation with the Association of European Schools of Planning (AESOP)
- **Journal of Architecture** is published jointly with the Royal Institute of British Architects, and is an international journal committed to advancing theory, research and practice for design in the built environment
- 19 out of 28 journals have content in the online archive stretching back for 10 years or more

## Pricing Options

## Web Address

For further information and to register your institution's interest in the Geography, Planning, Urban and Environment Online Archive, please visit:  
[www.informaworld.com/librarians\\_geographyarchive](http://www.informaworld.com/librarians_geographyarchive)

## Protecting the Archive

Taylor & Francis are working closely with LOCKSS and Portico to host the archive in perpetuity. An agreement with the Dutch National Library has also been signed to protect the future of our archives.

## Archive Content Coverage

Taylor & Francis Group undertakes to make every reasonable effort to digitise its Online Journal Archive. There may be instances, however, where the archive is incomplete due to inability to locate journals.

## Geography, Planning, Urban and Environment Collection

- Allows access to current content from 1997 to the present day, and when combined with the Online Archive provides access to the complete collection of journals in this field
- Key titles include: *Social and Cultural Geography*, *Planning Theory & Practice*, *International Journal of Water Resources Development*, *Landscape Research* and *Gender, Place and Culture*
